

Patrick Goddard

Parasites, 2015

Print on white cotton T-shirt
Edition of 50
Sizes S, M, L
£25 each (+ postage and packaging)

Patrick Goddard's edition for OUTPOST is a design printed on a white t-shirt. The t-shirt is all organic and fair-wear and stuff. It says 'APOCALIPSTICK, EVENTUALLY EVEN THE PARASITES WILL STARVE IN THIS CARCASS OF CULTURE' and it's got a dead cat drawn in the middle there. Also it's all maggoty. Patrick stole the word 'Apocalipstick' from issue 2 of the awesome comic book series 'The Invisibles', he feels a bit bad about that, but not that bad. Patrick has written this in the third person.
