

TULANI HLALO

Thanks Dad

15 June - 8 July

Opening: 14 June, 6-9pm

Outpost is pleased to present *Thanks Dad*, a solo show by Tulani Hlalo.

Tulani Hlalo (b.1994) in Newcastle upon Tyne, currently lives and works in Manchester. She studied BA Fine Art at Manchester School of Art, graduating in 2017. Tulani uses humorous performative videos and sculptural works as a method of reconnecting with the Zimbabwean heritage she once neglected in her childhood. Although the subjects she touches upon in her work are personal, she sees such themes as universal in the context of growing up and existing as mixed race in the uk.
