

# JAMES ROLLO

## ***(mini) potential***

Acrylic

Edition of 8

Dimensions in inches: 5' x 2" x 1.5"

£250 (+ £15 Postage and Packaging within the UK. For postage worldwide please contact us)

James Rollo's edition for OUTPOST is a miniaturized version of Potential. An installation constructed from blue or orange braided cotton rope masquerades as an electrical lead, which figuratively reveals a possibility of short circuiting the building.
