

# ISABELLE CORNARO

## **Golden Memories**

2 - 31 July 2015, 12 - 6pm, Thursday - Sunday  
Opening: 1 July, 6 - 9pm

For her first solo show in Norwich *Golden Memories*, Isabelle Cornaro will present a large scale installation filling the whole space of OUTPOST Gallery. As if stolen from a crime scene, maculated industrial plastic sheets and coloured dust are the components of this new work, which is inspired by her previous series of wall spray paintings *Reproductions*.

Isabelle Cornaro lives and works in Paris and Zürich.

Solo exhibitions of her work were realized in various international institutions such as the South London Gallery (London, 2015), Spike Island (Bristol, 2015), M-Museum (Leuven, 2014), La><art (Los Angeles, 2014), Kunsthalle Bern (2013), CNAC-Le Magasin (Grenoble, 2012), Kunstverein Düsseldorf (2009). She also participated in numerous group shows, including *Une brève histoire du futur* (Musée du Louvre, Paris, 2015), *Archeo* (Highline, NYC, 2014), *Beware Wet Paint* (ICA, Londres, 2014), *One Torino* (Palazzo Cavour, Turin, 2013), *Decorum* (MAMVP, Paris, 2013), *Triennale de Paris* (Palais de Tokyo, Paris, 2012), *Vide-poche* (Sculpture Center, NYC, 2011).

Isabelle Cornaro is represented by galleries Balice Hertling in Paris, Francesca Pia in Zürich and Hannah Hoffmann in Los Angeles.
